

St Patrick's Day Festival and Parade 2024

Sunday 17th March 2024

Dear Local Businesses and Residents,

We are writing to inform you that the St Patrick's Day Festival and Parade will be taking place on Sunday 17th March 2024. The Mayor of London's St. Patrick's Festival and Parade is the largest celebration of Irish culture and community in London.

The Parade

The Parade will form up on Piccadilly and set off at 12:00. It will make its way towards Piccadilly Circus, Regent Street, St James's, Pall Mall, Cockspur Street and onto Whitehall.

In order to do this safely the eastbound carriageway of Piccadilly will be closed from 09:00. A full closure of Piccadilly and the rest of the parade route will be in place between 11:00 - 16:00. We will endeavour to open roads as soon as it is safe to do so. Barriers will be strategically positioned but will not line the entire route.

Residents of St James's will exit via St James's Street across Piccadilly onto Albemarle Street. This will be managed and maintained through the hours of 11:00 - 16:00 but will be restricted whilst the parade passes through. Please note that access for emergency vehicles and pedestrians will be maintained throughout.

Due to this planned closure we advise that any vehicle deliveries or collections (including commercial waste) to your businesses or residencies due to take place are completed prior to 09:00 or rescheduled.

The Festival in Trafalgar Square

The Festival within Trafalgar Square will be taking place from 12:00 to 18:00. It will host a stage with a world-class line-up of Irish culture and music, which is programmed in partnership with the London Irish Centre.

St Patrick's Day Festival and Parade is delivered to you by LS Events, an event produced by The Mayor of London's Greater London Authority.

If you are a resident association, BID, or otherwise have local contacts, please can we ask for your assistance in sharing this information with your network.
